Memory Care

## INTRODUCING 25 NEW MEMORY CARE SUITES

Our 3rd floor is near completion and we are now able to meet even greater demands for specialized memory care with the following availability dates:

- Opening December 28th – 9 enhanced memory care suites for residents who need additional behavioral monitoring and a quieter setting
- Opening February 2011 – Tandem suites with shared bathroom that are perfect for spouses, roommates & siblings
- Opening February 2011 – 16 additional private suites within care neighborhoods
- Additional community features including activity rooms and visiting lounges

We invite you to visit for a tour of the newly completed 3rd floor at The Alton.
